

## Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a yellow check, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of sluggish impurities, enriches the blood, purifies the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed.

"Golden Medical Discovery" contains no alcohol, whiskey or habit-forming drugs. All its ingredients are printed on its outside wrapper. It is not a secret nostrum but a medicine known to the world and with a record of 40 years of service. Accept no substitute—there is nothing "just as good." Ask your neighbors.

## WESLEY SUNDAY SCHOOL.

Report of a Fine Meeting—Medal Presented.

Wesley Sunday School had such a fine day Sunday. Attendance was fine and the singing unusually good and several special features.

Mrs. E. M. Taylor awarded medals to three of her class for perfect attendance and several excellent essays.

Young, Lela Davidson and Lola Zepf were the winners of these beautiful gold medals. Rev. Casey made the presentation and gave them.

Mrs. Minnie Reeves sang a tenderly and sweetly the song, "My Mother's Prayer," in memory of one of our sainted mothers who has just passed over the river, Mrs. S. E. Parker. Her little was her constant guide and comfort and this little song tells so beautifully of her life, too. Then, too, we had such feeling and beautiful tributes paid her memory by many of our school.

She has gone before but the influence of her beautiful Christian life is still with us leading us onward, upward. So many of our school are all away—four have passed over in two months' time—until like one has beautifully said, "It seems such a little way to me, across to that strange country, the land of the dead, yet so strange for it has grown to be the home of those whom I am so fond. They make it seem familiar and most dear."

Tribute of Respect.

Your committee appointed to represent the Sunday School in expressing through words the sorrow and loss sustained in the death of Mrs. Sarah Eliza Parker, nee Owens, one of our sainted mothers, which occurred in our midst on the 29th day of December, 1918, submit the following as our report:

A life devoted to God which ended a few days ago, began Oct. 4th, 1839, in Sampson County, N. C., extending through the vicissitudes of seventy years, three sons and ten, including thirty-eight years of devoted service to the church, her religious life began early and was the main-spring of her whole after life. Her vitality, both physical and spiritual, were remarkable. The manifestations of her inner life were firmness of purpose, indomitable will and energy, unwavering faith, living hope and a joyful spirit. The influence of her life was for good to the end and will continue to bring forth fruit to the honor and glory of God. Her friends are all along the pathway of life. Her part was well performed and she has entered upon the heritage of a good and faithful servant. She passed peacefully from our midst into the home far beyond the skies where she will rejoice through all eternity with the loved ones gone before, awaiting the coming of those left behind on the shores of time.

While we, at a Sunday School and friends, sorrow in our loss, we rejoice that she has entered into eternal peace and joy, indulging the delightful hope of some sweet day meeting her beyond the river in the land of the over-arching day. In this great sorrow we deeply sympathize with the bereaved loved ones and join them in anticipation of the glorious time when the last enemy, death, shall have been destroyed and the joy of eternal life our possession forever.

MRS. SARAH ELIZA PARKER, BIRTHDAY, C. L. McWHITTELL.

The humblest and mightiest little thing that ever was made is Chamberlain's Cough Remedy.

They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one could not tell they were doing a thing. Sold by McLaughlin Bros. and all druggists.

Rare Bargain in Lace Curtains.

Just come in possession of a large shipment of lace curtains at a much reduced price. Call to see them. You will find them a very large curtain—big and long enough for any window in the State—one to the window at 50c, which is about one-third of the usual price. They are sold at 10c. They will be seen to be appreciated. A look will not be regretted.—A. M. Davidson, Corner Store.

Chamberlain's Cough Remedy is a very valuable medicine for throat and lung troubles, quickly relieves and cures painful breathing and a dangerous coughing cough which indicates congested lungs. Sold by McLaughlin Bros. and all druggists.

The time is now, the place is at Raleigh and the prices are the lowest to be found anywhere on furniture and stoves. F. M. Baskow.

# A BOLD STEP

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broad-cast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines.

Thus Dr. Pierce has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits and placed them in a class all by themselves by making them remedies of known composition. By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the fullest scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, relieving painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, overworked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians.
